ABOUT THE KERALA LAW ACADEMY MOOT COURT SOCIETY

Mooting can best be described as an activity that comes closest to being a lawyer while still studying at Law school. It involves identifying legal issues out of a complex factual scenario, doing exhaustive research on those issues to advance arguments with authorities, followed by drafting extensive written submissions and finally the gruelling orals before a bench of eminent judges. In a nutshell, it is everything a lawyer is expected to do once he starts practicing law. Kerala Law Academy Moot Court Society has been persistently revising and updating the various MCS Policies in order to ensure a fair and equitable offering mechanism for moots. Furthermore, MCS for the purpose of encouraging first years to take up mooting, appoints moot mentors to support them and provide them with requisite training to equip them to withstand the toughest of the situations. The sole aim of the Moot Court Society is to bestow the students of KLA ample opportunities to foster research, oral advocacy, legal drafting skills and other essential expertise to mold an individual into a seasoned litigator. The All India Moot Court Competition put forward by KLA MCS has a legacy of 32 years in finding out the best mooters from law institutions within India.
